Description: The finale you've all been waiting for: *The Penderwicks at Last* is the final, flawless installment in the modern classic series from National Book Award winner and New York Times bestselling author Jeanne Birdsall! Nine years, five older siblings, a few beloved dogs, and an endless array of adventures--these are the things that have shaped Lydia's journey...

Review: I read this last night and slept on it. I actually looked up the page count for all the other books, because it felt a little light to me. *Penderwicks in Spring* is the longest of the series, which probably explains why this felt a little on the short side, but it is not the shortest. A few reviewers over at Goodreads are really upset about the status...
